Product highlights

Speed-XL shaving heads
The advanced Speed-XL shaving heads provide 50% more shaving surface for a faster shave. They have more blades to catch more hairs in one stroke, giving a smoother shave. The shaving heads also have more holes to catch even the shortest hairs for a closer shave.*
**compared to standard rotary shaving heads*

Precision Cutting System
Ultra thin heads with slots to shave long hairs and unique micro holes designed to catch the shortest stubble.

Super Lift & Cut System
Dual blade system: first blade lifts, second blade cuts for a comfortable close shave.

Reflex Action System
Automatically adjusts to every curve of your face and neck for flexible, smoother shaving.
